THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

5 January 1983

NOTE FOR: D/SOVA
D/OSWR
D/OIA

FROM : MG Atkeson
NIO/GPF

SUBJECT : Deployment of T-80

Attached is a copy of a memorandum I recently sent to the DCI alerting him to the deployment of T-80 tanks in East Germany. I understand a joint paper on T-80 developments is in the works and urge that it move along as quickly as possible. Of prime interest right now is the extent to which this tank has been deployed.
